Carrier Branch**

**RESOLUTION T-16713  
April 3, 2003**

**RESOLUTION**

RESOLUTION T-16713. REVOCATION OF CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY OF 79 COMPETITIVE CARRIERS FOR FAILURE TO COMPLY WITH COMMISSION DECISIONS.

---

**Summary**

This resolution revokes the competitive carrier Certificates of Public Convenience and Necessity (CPCNs) held by the 79 companies listed in the Discussion Section for failure to comply with Decision 93-05-010, Ordering Paragraph 4.

**Background**

Decision 93-05-010 Ordering Paragraph 4 states that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges.

The following steps were taken to locate the 79 companies and determine their status:

1. Telecom Division researched the carriers' record of reporting and surcharge payments. It was determined that each carrier is at least 90 days late in reporting total intrastate end-user billing subject to surcharge on the form Combined California PUC Telephone Surcharge Transmittal (Surcharge Transmittal). The listed carriers have never filed the Surcharge Transmittal form since February 1997.
2. Notice of company names whose addresses were unknown was placed in the Commission Calendar for 30 days. Interested parties were invited to call Telecom Division (TD) staff with questions or comments on these carriers' locations, but TD was not contacted by these 79 companies.

## Discussion

Over the past few years, Telecommunications Division (TD) has revoked a large number of carriers, both voluntarily and for cause. The number of carriers revoked in each resolution has increased over time. Our general rule has been to write revocation resolutions frequently (often monthly), with as many as 35 carriers in each resolution. This resolution contains 79 revocations, a number that is only a little over two months worth of revocations in one resolution. All 79 revocations in this resolution have been thoroughly reviewed by TD staff, and notice to carriers has been completed.

Also, the Bureau of State Audits has audited TD's records and recommended that TD maintain an up-to-date list of operating carriers. This resolution will be a significant step toward that end.

Telecommunications Division's draft resolution in this matter was noticed in the Commission's Daily Calendar beginning on \_\_\_\_\_, in accordance with PU Code Section 311(g)(1). The following comments were received: \_\_\_\_\_.

## **Findings**

1. The companies on the above list were certificated by the Commission as competitive carriers.
2. Proper measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies on the above list have not timely remitted surcharges and submitted surcharge forms.
4. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4.

**THEREFORE, IT IS ORDERED that:**

1. The competitive carrier Certificates of Public Convenience and Necessity granted to the carriers listed in the Discussion Section are revoked:
